

Stay Safe MN (Rovers)

Developed by MN Rovers COVID 19 Committee Revision: 7/6/2020

- Some activities may be permitted, but may not immediately begin due to logistics, local restrictions, and time for implementation of compliance with board approved guidelines. Just because we can, doesn't mean we will.
- All phases below correspond directly to Stay Safe MN phases as interpreted by the MN Rovers COVID 19 committee, maintained and updated by the State of MN here: <u>https://mn.gov/covid19/for-minnesotans/stay-safe-mn/stay-safe-plan.jsp</u>
- Stay safe plan below details how different activities will be adjusted in the future as the phases are updated. This is not a history of the Rovers COVID 19 response.
